

# Mydoctor.kaiserpermanente.org

i like to keep it simple, so if you are growing sweet peas to train up canes or netting in the border, sow six seeds in a ring in a 5in (12.5cm) plastic pot filled with multipurpose compost

**[mydoctor.kaiserpermanente.org/ncal/acl](https://mydoctor.kaiserpermanente.org/ncal/acl)**

and ever, where you feel as if you on some magical different planet where all the normal rules of life
